

JANKEL

PROTECTION IS EVERYTHING

**FULLY ARMoured
13 PERSONNEL
PEOPLE CARRIER**

PROTECTED TOYOTA LAND CRUISER 78 BY JANKEL

Jankel brings to the market a unique 13 seater protected people carrier; an updated Toyota Land Cruiser 78 developed for personnel patrol and transportation in hostile environments.

Jankel's design offers superior protection while maintaining a discreet profile that blends into many urban landscapes. The base Toyota Land Cruiser 78 utilises simple vehicle mechanics with no complex engine management or diagnostic systems, making it an obvious choice for remote locations or long range missions.

UN approved vehicle, available via LTA contract PD/C0053/10.

PROTECTED TOYOTA LAND CRUISER 78 BY JANKEL

Key benefits:

- Jankel is the only company to offer a 13 seater protected people carrier that is in line with the latest health and safety standards. Seating capacity without Jankel's mechanical upgrades would degrade the product to a 6-8 seater. Hence the product offers the best value 13-seat civilian armoured vehicle on the market
- The Jankel upgrades (fully certified for health and safety requirements) cater for the additional weight of the armour, as well as improve handling and stability
- Upgrades include:
 - Heavy-duty springs
 - Heavy-duty steel wheels
 - Steering damper
 - Anti-roll bars
 - Turbo charger
- A continuous vehicle production line offers rapid lead times
- The vehicle is supplied with the simple and rugged 1HZ 4.2L Diesel engine, which does not require diagnostic equipment for servicing /maintenance - ideal for remote locations
- 145L fuel tank with 750km range, ideal for remote and long distant missions
- Extreme environment and dirty fuel compatible in accordance with STANAG 1135
- Kerb Weight: 3650kg
GVW: 4625kg
Payload: 975kg
- Access to Jankel's team of Field Sales Representatives (FSRs) and approved repairers around the world for optimum levels of vehicle availability
- Spare parts readily available through Jankel and Toyota worldwide network.
