LC200: ACT NOW. ARMOUR LATER

ALL INDICATIONS
SUGGEST THAT FROM
EARLY 2021, YOU
WILL NO LONGER BE
ABLE TO BUY THE
TOYOTA LC200

There has been months of discontinuation speculation and your next LC200 fleet cannot be guaranteed unless you act now.

You can't predict exactly when you'll need to replace your fleet. But when the time comes, you'll want to be sure you can maintain your profile and ensure seamless transition of parts and training,

You'll want an LC200 fleet replacement.

Act now and ensure your preferred vehicle is there when you need it

HOW TO ACT NOW AND ARMOUR LATER

Jankel is offering a chance to secure your next fleet of LC200s while they are still available. We'll work with you to procure the vehicles now and store and maintain until you need them.

At the appropriate time, you can convert your fleet, knowing that your base-vehicle is secured. All the knowledge, cost-effective maintenance and low profile you need taken care of today and delivered when you need it.

LET JANKEL ASSURE YOUR FUTURE FLEET REQUIREMENTS

A simple system to procure, store and maintain your next LC200 fleet until you need it:

- Discuss your requirements and we'll procure the number of vehicles you need
- Simple procurement process for an off-the-shelf platform, with single source for purchase, storage, maintenance and future armouring requirements
- Your storage fees are refunded if you choose Jankel to convert your fleet within 12 months of purchase

JANKEL'S CLASS-LEADING ARMOUR INNOVATION, DESIGN AND MOBILITY

Military, security, NGO and government organisations across the world look to Jankel for the only hot-formed LC200.

The hot-formed armoured Toyota LC200 has many proven design options developed for unique user requirements. These include electric power upgrades, higher

protection levels and specialist fit-outs that allow the vehicle to undertake roles far beyond the capabilities of standard civilian armoured vehicles.

WHEN THE TIME COMES, JANKEL IS READY TO MEET ALL YOUR CIVILIAN ARMOURED VEHICLE NEEDS
